LINE 1 – Money Collected (Income)	<p>INCLUDE all money collected from bingo, raffles, games of skill or chance, entrance or participation fees for an annual game/casino night.</p> <p>DO NOT INCLUDE money collected from Iowa lottery tickets, food, merchandise, concessions, or auctions.</p>
LINE 3 – Cost of Prizes	INCLUDE the total amount of cash and the cost of merchandise awarded as prizes in bingo, raffles, and games of skill or chance. A withholding tax of 5 percent is required on all cash prizes over \$600. DO NOT INCLUDE DONATED PRIZES.
LINE 5 – Allowable Expenses	<p>INCLUDE reasonable expenses, which according to 481 IAC 100.33, shall not exceed 25 percent of the net receipts. No expense item shall be allowed without a proper receipt, paid invoice, or cancelled check, and shall not be paid from an outside source. The burden of proof is on the licensee to show that all expenses were incurred exclusively and directly as a result of the gambling activity. An expense will not be considered reasonable if the amount charged significantly exceeds the prevailing rate or average retail cost of the item or service purchased.</p> <p>Expenses allowed within the 25 percent limit are: the license fee, rent of a building or equipment, taxes (other than state and local sales tax paid on gross receipts), promotional expense, major equipment purchases, overhead expenses, bingo worker compensation, and other expenses incurred exclusively and directly as a result of the gambling activity. [481 IAC 103.8]</p> <p>DO NOT INCLUDE sales or local option taxes, prizes, or cost of concession food or merchandise.</p>
LINE 6 – Use of Dedicated Funds	AT LEAST 75 percent of net receipts not distributed as prizes must be dedicated and distributed to educational, civic, public, charitable, patriotic, or religious uses in this state. It is the responsibility of the licensee to be able to demonstrate that this money has been used for these lawful purposes. Iowa law states that if a licensee derives 90 percent or more of its total income from conducting bingo, raffles, or small games of skill or chance, then at least 75 percent of the net receipts (line 4 amount) must be distributed to an unrelated entity for an educational, civic, public, charitable, patriotic, or religious use. This action must be taken within 30 days of this reporting quarter.
